# AFITA/WCCA 2018
## Research Frontiers in Precision Agriculture

**October 24th - 26th, 2018 - Victor Menezes Convention Centre, VMCC, IITB**

Dear Colleague,

I am pleased to inform you that IIT Bombay is hosting a joint international conference 'AFITA/WCCA2018' in VMCC, IIT Bombay, Mumbai from 24th October to 26th October 2018. This co-located conference is a part of IIT Bombay's Diamond Jubilee Celebrations.

This conference is being collaboratively organized by AFITA, INFITA, and INSAIT with the aim to coalesce the 'Research Frontiers in Precision Agriculture' for sharing the recent advances in Remote Sensing & GIS, ICTs, IoAgT, sensor networks, image processing, robotics, machine learning, big data analytics, etc. in agricultural applications. The research contributions through presentations, posters, workshops/special sessions, etc. would focus on supporting the development and implementation of these frontier technologies for a competitive, sustainable and environment-friendly agriculture.

This event offers a unique range of practical insights on applying technology to developmental aspects in Precision Agriculture while attracting a diverse and international audience of over 300 scientists, rapporteurs, senior program managers, technical advisors, executives & entrepreneurs.

Please visit www.afita2018.org/afita_wcca2018/index.html for more information and updates.

We are looking forward to welcoming you to the AFITA/WCCA2018 Conference. Please feel free to reach us should you need further information.
